New Board Chair Appointed

Don Zurowski is the new Chair of the Passenger Transportation Board. His appointment took effect September 1, 2011.

Don Zurowski has been a member of the Passenger Transportation Board since January 2010. He is a former CEO and General Manager of Community Futures Development of Fraser Fort George, and brings many years of business leadership experience to the work of the Board.

Mr. Zurowski is a former elected municipal Councillor for the City of Prince George. In his elected capacity, he served as Chair of the Finance and Audit Committee and the Grievance Committee for the City of Prince George.

In Northern British Columbia, Mr. Zurowski has served the community in a number of capacities. These include his role as former Chair and Director of the Northwest Corridor Development Corporation, and as former member of the BC Ministry of Transportation's Regional Transportation Advisory Committee. Currently, he is the Chair of the International Bioenergy Conference & Exhibition Society.

Members of the Passenger Transportation Board, including the Chair, serve on a part-time basis. For more information about Board members, [click here](#).
