Golden Ears Bridge & Taxi Toll Surcharge

Background

The Board is amending its rule respecting taxi toll surcharges for the Golden Ears Bridge. The amendment takes effect July 15, 2013. It reflects the toll increase by TransLink that takes effect the same date.

Amended Rule

When passengers hire a taxicab and are transported over the Golden Ears Bridge, taxi operators must charge a toll surcharge of **\$7.10**.

Taxi operators must advise passengers of the toll surcharge **before** the meter is turned on.
