Peak Season TOPs for Limousines—Festive Season

In July 2016, the PT Board introduced Peak Season Temporary Operating Permit (PS TOPs) for limousines. These enable limousine operators meet to cyclical demands or seasonal demands when additional vehicles are needed on a temporary and urgent basis.

PS TOPs are available over the 2016 festive season. These may start now and run through until **up to January 7, 2017**.

Permits starting from November 17, 2016 until January 7, 2017 will cost \$75 per vehicle and permits starting from December 8, 2016 until January 7, 2017 will cost \$50 per vehicle.

The maximum number of vehicles permitted for a PS TOP is as follows:

Fleet Size	PS TOP Vehicles Permitted
1 - 10	1
11-23	up to 2
24+	up to 3

Licenses must indicate the maximum number of vehicles they are requesting when they submit a PS TOP application. Originating areas for PS TOPs will be the same as those on the applicant's licence. Vehicle capacity and type may be different on a PS TOP than on a licence; however the Board may limit the number of sedan limousines at any time in an area.
