## “Extra” Weekly Bulletins for 2018

As needed, for the remainder of 2018, the Board may publish up to one extra edition of the Weekly Bulletin per week, either on a Friday or a Monday. This is in addition to editions that are published on Wednesdays. The extra editions respond to high volumes of applications and status enquiries about applications that have been received or decided by the Board. Most published applications and decisions relate to the Board’s streamlined process and policy respecting short term actions for taxi modernization, and its simplified Inter-City Bus Application process.

With this extra edition of the *Weekly Bulletin*, the Board has published summaries for all the applications it has received for taxi modernization supply increases. Of the applications received—89 in total—decisions have been published for 15. The remaining applications are either open for submissions or pending a Board decision.
