The applicant seeks PT Board approval to operate inter-city buses under Special Authorization with terms and conditions set out in this appendix.

<b>Special Authorization</b>	<b>Inter-City Bus (ICB)</b>
<b>Terms &amp; Conditions</b>	
<b>Services</b>	
Service	Transportation of passengers must be provided: a) on a scheduled basis, and b) in accordance with minimum frequencies and other terms and conditions of licence that apply to the routes and route points.
Schedule	The licence holder must publish, in a manner accessible to the general public, a schedule for each route with the time and location of each stop, and must carry in each vehicle a copy of the schedule that the vehicle is following.
Service Exception	Routes may only be operated on a “pre-booked” or “reservation required” basis if the route points are: a) designated as reservation required in the licence, b) identified as pre-booked or reservation required in all current, published schedule information, and c) available at all times for pre-booking or reservation on the licensee’s website.  When these conditions are met and when no reservations have been received for pick up or drop off at one or more points on the route by the time service is scheduled to be provided, the licence holder has the option of not providing service to those points that would otherwise be required.
Alternative Points:	The licence holder may pick up or drop off passengers at any location, municipality or unincorporated area that is between the terminating points and along the highway corridors for the inter-city bus route below.
