Program Start:	February 27, 2004				
Info Updated:	April 1, 2015				

This local taxi camera program is established for driver and passenger safety. To protect the privacy of drivers and passengers, only the local police agencies have the authorization, tools and passwords that are needed to access taxi camera images. Taxi camera equipment may only be installed and operated in vehicles when a licensee is in compliance with applicable taxi camera rules, standards and orders of the Passenger Transportation Board.
