2020 TLCI

PT Board allows taxi rate increases of up to 2.3% based on rise in cost index

Taxi licensees can request a 2020 TLCI taxi rate increase of up to 2.3%. The Passenger Transportation Board is now accepting completed [TLCI request forms](#) until the request deadline of **October 31, 2020**.

The Board established the TLCI—Taxi & Limousine Cost Index—as an objective way to identify periodic rate increases as operating costs rise. The TLCI uses the Consumer Price Index (CPI) for BC to track annual cost changes. The 2020 TLCI increase is based on CPI data for 2019 which shows a broad cost increase of 2.3% in the past calendar year.
