The Board will continue its efforts to ensure that the 2025 cruise ship schedule is up to date. If there are any future changes or amendments, this advisory will be updated accordingly. The Board will post a link to the city's cruise ship schedule when available.

Taxi

Taxi companies in the City of Vancouver, including those previously approved for "Peak Period" operations, should take note of the 2025 cruise ship dates and anticipate events such as the Celebration of Lights.

TNS

TNS operators are reminded that the current geo-fencing term and condition remains in place (listed below) until further notice.

Geo-Fencing

TNS operating in the City of Vancouver (in Region 1) must geo-fence off the areas listed below in (a) to (c) on cruise ship days to prevent drivers from picking up passengers:

a) Canada Place Way between Howe Street and Burrard Street;

b) Howe Street between Canada Place Way and Cordova Street; and

c) Burrard Street between Canada Place Way and Cordova Street.
