Rule 16 — Standard rules for TNS rates

Application

1. This rule applies to all licensees granted a special authorization with a designated TNSA.

Transaction fees

2. Licensees may not charge or collect compensation from passengers, in addition to their advertised rates, in order to recover/offset transaction fees or any other fees or charges imposed on licensees by credit or financial companies (i.e. credit card surcharges).

Discount rates

3. For certainty, the use of any coupons or discounts that reduces a fare charged for a ride to an amount below the TNS minimum rates in Rule 17 is prohibited.
